Be as specific as possible. You may use additional paper if necessary. Attach any documentation or exhibits in support of the complaint):

On about Oct. 29, 2012 the Metro. Election Commission  
Administrator, A. U. Triche restored my voting rights, Some  
thing (a US District Court judge, Wm. Jos. Haynes, Jr.  
wrongly/tortously (Refused to do in C.A. No. 3: 2004-  
cv- ) and issued me a voter registration card that day,  
with the information on it where I'm assigned to cast my  
votes), and whatever essentials required that day to vote, when  
voting.

However, much to his surprise, he was never afford-  
ed the opportunity to vote. At neither polling station(s)  
Bordeaux library designated a place to vote early, and/or  
in the primaries. On

Only harassed by workers at both locations,  
Asking him how he intended on voting, Democrat or  
Republican.

And at Bordeaux Library they (a blk. woman in charge)  
took his i. d. and did not return it and telling him to go to  
Alex Green School; getting late he went.

But because, he had no proper i. d. was told he  
could make out a provisional ballot. And it he found  
his i. d. (photo) he could take it to the Commission show  
it to them and get my ballot/ votes counted. But that never  
happened and my votes then not counted.

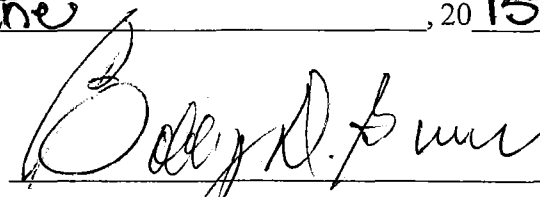

And then again, Aug. 7th, 2014 at Alex Green School  
all the poll workers (except one) did nothing but harass  
wanting to know if I wanted to vote, described it said, hell no.  
And I intend on reporting this. I left never voting.

W. J. Haynes, Jr. and A. Trauger)

— Affidavit in Support of Complaint —

I, Bobby D. Green, complainant herein, fully of criminal laws governing perjury, state and federal, do hereby and thereafter, depose and say, in addition to any facts contained in complaint that:

1.) On Aug. 7th, 2014, at approximately 6:40 p.m., the very last day for early state voting in the Metro Nashville / Davidson Ctg., TN, I went to Alex Green Middle School at 3921 Lloyd Dr., Whites Creek, TN; the designated place listed on my voter registration card for me to cast my votes at ~~by~~ the Metro. / Davidson Ctg. Election Comm. and a. Albert E. Triche, Adm. of Elections, to vote, ~~that date~~ <sup>before it was</sup> too late, to vote in the state / Metro. primaries Aug 8th being actual last day therefore.

2.) But, typically, and in step with prior actions of this particular polling station (all women - names forgotten) and the polling station at Metro Public Library in Bordeaux, Clarksville Hwy., Nashville, TN, (collusively) for the second (2nd) consecutive time, I did not get to vote. Or, on this last attempt, it was "harassingly" conducted where his voting cast was not complete. (dispite having all necessary / required documentation) (asking if I wanted a "absentee" ballot)

3.) Only subjected to female "civil rights intimidation", in violation of T.C.A., § 39-1 - 39- -

4.) The first time the suppressing Bordeaux workers wrongly took my i.d. (state issued photo) and lost it, causing me to be forced to have to fill out a "absentee" ballot. But because my i.d. never found, votes never counted. And it was for National election.

I affirm the truth hereof in its entirety, witnessed by affixing my hand hereto.
